Background field(s), areas of interest in Canada

## **PART B RESEARCH PROPOSAL**

1. Discipline in which your research is to be undertaken:

2. Research topic title:

3. Please attach a concise description of the proposed research project (2,000 words) which will

- a. identify the key issues or the main theoretical problems and the appropriate methodology of the research to be undertaken;
- b. indicate clearly both the nature and the scope of the project's contribution to the literature in the chosen field;
- c. describe how the CCSEP program will assist you in your professional development and how the knowledge gained in Canada will be applied to your career ambitions after your return to China;
- d. outline a general schedule of research activities.

4. Summary of attached research proposal (not more than 100 words).

:

(500 ):

5 Specify your choice of university and department in Canada and explain your choice.

6. Describe clearly the academic ties you have established with Canadian institutions, universities and/or scholars. **Note: Copy of past correspondence must be provided.** Applicants who have already established a strong academic link with an institution WILL be favoured.

7. Specify the number of months required for your research and explain how this relates to your plan to study in Canada.

**PART C**

**Read the following carefully and sign below.**

I confirm that the information provided in this application is true and accurate. If I receive an award, I agree to devote the entire period of my time in Canada exclusively for the purpose the award was granted and to return to China immediately upon completion of the above plan of research to apply the results of my research to teaching and/or scholarly publication.

I understand that Canadian government provides a monthly stipend (app. CDN\$ 2,200) to cover the award holder’s expenses in Canada while the airfare expenses are being covered by the Government of China.

I understand that if my language proficiency in English or French is judged inadequate by representatives of the Canadian Embassy or if any information provided with this application is found to be a deliberate falsification, or if I am not able to leave for Canada for my research before the required date, the award will be canceled.
